1	INS-5	14 c.	<p>We are receiving feed back from the subcontractor community that they are currently focused on finishing existing summer work/contracts for K-12 and higher education clients and do not currently have time to bid jobs. Due to this it looks like sub contractor bid coverage is going to be poor which will likely result in poor bid pricing. We are requesting a bid extension to the week of 8/11 (but not on a Monday).</p>	<p>See Addendum No. 1, Item 1 for revised bid date.</p>
