

Q) Will the pre-bid meeting be held as planned amid the COVID-19 outbreak? Is a WebEx via Skype or Go-To-Meeting a possibility?

A) In light of the current state of the COVID-19 situation, the Pre-Bid Meeting originally scheduled for 3/26 is cancelled. At this time there are no plans to host a dial-in meeting. All parts of the project site are publicly accessible and Bidders are encouraged to visit them at their convenience. Bidders are also encouraged to use this question and answer form to submit any questions through the bid process. Answers will be provided in a timely manner and formalized periodically via Addendum.
