Q5	<p>Question: Multiple Questions TCRC</p> <p>What is the height to the bottom of the roof deck / above drop ceiling?</p> <p>Where do we store lockers & partitions on-site?</p> <p>Is the removal of flooring only in the restrooms and break room?</p> <p>(Hallways and the storage area in the break room seem to be shown as work areas)</p> <p>Answer: What is the height to the bottom of the roof deck / above drop ceiling? Please see addendum drawing A-ADD 01 - CEILING CLARIFICATION</p> <p>Where do we store lockers & partitions on-site? Storage location of lockers and partitions on-site will be coordinated with the Owner and should be determined prior to commencement of work.</p> <p>Is the removal of flooring only in the restrooms and break room? (Hallways and the storage area in the break room seem to be shown as work areas). The removal of flooring is only in the restroom and break room areas as shown on the documents. The hallways and storage areas in the break room are shown as work areas because they will not be readily accessible by the Owner during construction.</p>	11/14/2023
