The following notes, changes, additions, and replacements shall be incorporated into the Project Manual or drawings as applicable:

ITEM 1. Question Responses

A. Below are responses to the following previously submitted questions:

Question #1:

Can a different material be used for the decking if it achieves a 50 year warranty?

Response #1:

As answered in Addendum #5 Question #4.

"If the contractor intends to provide a substitute material it shall be listed in accordance to Item #5 of the Bid Form and meet the requirements of Specification Section 01 6000 Product Requirements, it will be considered. The owner has final say as to accept the intended substitute decking material and any cost implications that may need to be considered on the final decision"

Question #2:

Is the 50 year warranty that is being requested, a Residential or Commercial warranty?

Response #2:

Since this property is for municipal use with commercial docking. All warranties for products used shall be for commercial use.
