Add. No.: Pre-Bid Addendum 004

A d d e n d u m

The contents of this addendum alter and amend the original drawings, specifications, and/or previous addendum and take precedence over the related items therein.

The following items are included in Pre-Bid Addendum 004:

CLARIFICATIONS

1. At Sammon Field, due to the Musco Light Foundations being a pre-cast product, the scope of the foundation will be the work of the EC. This removes the delegated design responsibility from the GC.
